The Golden Isle

Emily Winkler, soprano

Emily began singing sea chanties and folk music with her father at age 5, and since then has enjoyed exploring a wide range of musical genres. Whilst pursuing her undergraduate degree at Dartmouth College, she sang with the Dartmouth Chamber Singers, studied period keyboard and jazz piano, and spent a term studying music in London.

A doctoral student in History at Jesus College, Oxford, she recently submitted her D.Phil. thesis on historical writing in medieval England. Alongside her studies, she continues to enjoy playing the piano, writing songs, and singing with the Choir of Somerville College.

Luke Faulkner, piano

Luke was born in Shrewsbury, Shropshire and studied with John Humphreys at the Birmingham Conservatoire before going on to study at Chetham's School of Music. He then took a double first in music from the University of Oxford.

Now, he enjoys a barely earned semi-retirement from which, it is speculated, he may one day emerge. This is yet to be confirmed.
